PROFESSIONAL EXPERIENCE

Deloitte (USI – Offices of the US) | Hyderabad, India

PMO Tax Consultant II April 2023 – April 2025

- Coordinated end-to-end project delivery for 10+ UK & European consulting engagements using RAG/RAID frameworks, milestone trackers, and SharePoint repositories — achieving 100% on-time delivery across multi-jurisdiction streams.
- Standardized project plans, trackers, and reporting templates on SharePoint + Power BI, cutting reporting effort by 20–25% and shortening leadership review cycles by 2 days/week — directly improving processes and ways of working.
- Coordinated 30+ delivery resources across 4 Deloitte offices via a centralized task-tracking system — managing multiple priorities, eliminating 15 hrs/week of manual follow-ups, and lifting cross-functional team efficiency by 40%.
- Mentored 5+ new joiners from diverse academic and regional backgrounds through structured onboarding, knowledge transfers, and process handovers — reducing ramp-up time from 6 weeks to 3 weeks and supporting an inclusive team-integration experience.
- Coordinated client workshops, kickoffs, and review sessions — handling scheduling, material preparation, follow-up actions, and translating discussion points into trackable deliverables for senior stakeholders across 3+ regions.
- Acted as central point of contact for project updates and internal coordination — owning weekly status reports, dashboards, and RAID logs for senior leadership and clients across 3+ time zones and multi-cultural teams, with timely, clear, and professional client communications.

- Deployed AI-based analytics tools to monitor compliance-risk signals and generate leadership insights, improving risk-detection accuracy by 25% and decision turnaround by 20%.
- Managed documentation control (SOWs, SOPs, audit files, transition docs) on version-controlled repositories — passed 100% of internal QA audits.

PMO Tax Consultant I June 2022 – April 2023

- Built compliance tracking systems and onboarding playbooks for new clients, aligning project timelines with operational standards and improving client-onboarding efficiency by 30%.
- Conducted research and benchmarking for MENA & European RFP pursuits — preparing client-facing materials, structured insights, and recommendations that contributed to 4 multinational client wins and 15% revenue uplift in target regions.
- Maintained audit-ready documentation repositories (SOWs, SOPs, trackers) on SharePoint with version control, ensuring 100% audit pass rate during transition phases.

Wells Fargo | Hyderabad, India

Associate Financial Analyst November 2020 – December 2021

- Processed Visa debit-card fraud and non-fraud claims (FCM) using bank investigation tools, resolving 40+ cases/day with >98% accuracy and zero compliance breaches.
- Performed quality reviews and audits on debit/ACH/cheque transactions and customer-account fees, identifying control gaps, strengthening compliance posture, and demonstrating attention to detail and follow-through across high-volume operational reviews.
